Experiment - 2

AIM: Create a Hello Flutter Application.

Source: Main.dart

- **Code:**

```
mainAxisAlignment: MainAxisAlignment.center,
        children: <Widget>[
          const Text(
            'Hello Flutter',
            style: TextStyle(color: Colors.pinkAccent,fontSize: 40,
    fontWeight: FontWeight.bold,),
          ),
        ],
```

- **Output:**
